## **DETAILED ACTION**

### ***Information Disclosure Statement***

1. The information disclosure statement (IDS) submitted on 10/16/2002 is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Claims 1-21 are pending.

### **REASON FOR ALLOWANCE**

2. The following is an examiner's statement of reasons for allowance: As to independent claims 1, 12 and 18, the closest prior of Neustadter alone or in combination with other prior art fails to teach or fairly suggest the invention as recited in independent claims 1, 12 and 18. In particular the key distinction between the closest prior art and the instant claimed invention is that the closest prior art does not rely upon selecting an optimum casting angle that minimizes a ray intersects from one plurality casting angles and displaying the optimized medical three dimensional visualization from said optimized casting angle, in combination with other elements of independent claims 1, 12 and 18.

Accordingly, claims 1-21 are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
